The Body

Massage Treatments

Swedish Massage (1hour)

£40.00

Swedish Massage is designed to work on stress and tension by relaxing the muscles and helping to boost circulation in the body. It also provides physical relaxation, decreases stress and muscle tension and improves range of motion. The specific techniques used in Swedish massage involve the application of long, gliding strokes, friction, kneading and tapping movements on the soft tissues of the body. The Massage will revitalise the body, clear negativity and reveal an uplifted inner self.

Aromatherapy Massage (1hour)

£45.00

Aromatherapy massage is a deeply relaxing form of massage using a medium of aromatic essential oils diluted in carrier oil. As a part of nature, aromatic essential oils are tools of healing and combined with the soothing power of massage have enormous therapeutic benefits to the body. By their fragrance and absorption through the skin, essential oils can also have subtle effects on the mind and emotions, helping to give feelings of relaxation, balance and harmony, a truly holistic therapy. It is a deeply therapeutic experience, promoting both deep relaxation and the therapeutic effects of the essential oils. This personalised experience captures the art of massage with the healing benefits of essential oils, reflecting your chosen intention and transporting you into a deeper state of relaxation, the oils are blended to help balance your mind and senses and is a deeply relaxing massage.

Sports Massage (1hour)

£40.00

Sports Massage is the management, manipulation and rehabilitation of soft tissues of the body including muscles, ligaments and tendons. The techniques used by our sports massage practitioners have been developed to ensure effective and efficient results are gained from each massage given. The reported benefits of Sports Massage include: Improve circulation & lymphatic flow - Assist in the removal of metabolic waste - Sedate or stimulate nerve endings - Increase or decrease muscle tone - Increase or decrease muscle length - Remodel scar tissue when required - Assist in mental preparation for sporting participation. To benefit from a sports massage you do not need to be a sports performer. The benefits above can also help relieve many day to day problems that everyone experiences. We ensure that you will receive an individually tailored, sports massage.

Deep Tissue Massage (1hour)

£40.00

Deep Tissue Massage is one of the best and most effective ways to treat pain and injury. Deep Tissue Massage is a massage technique that focuses on the deeper layers of muscle tissue. It aims to release the chronic patterns of tension in the body through slow strokes and deep finger pressure on the contracted areas, either following or going across the fiber's of the muscles, tendons and fascia. Restoring movement in the soft tissues alleviates pain, muscle spasm and stress from the problematic area. Deep tissue massage helps to break up and eliminate scar tissue. When muscles are stressed, they block oxygen and nutrients, leading to inflammation that builds up toxins in the muscle tissue.

Hot Stone Massage (1 hour)

£45.00

Beauty and the Spa's Hot Stone Massage is a deeply relaxing and purifying treatment. Earth, air, fire and water unite with body balancing oils, and stress-absorbing volcanic stones to provide the ultimate in healing techniques. Muscles are cleansed of stress and tension as you surrender to the grounding benefits of this relaxing stone therapy.

Back, Neck and Shoulder Massage (30 minutes)

£25.00

This Massage specifically focusses on the Back, Neck and shoulder area. It helps to restore deep layers of muscle tissue embedded from everyday stress and chronic patterns of tension. It aims to release the chronic patterns of tension in the body through slow strokes and deep finger pressure on the contracted areas, either following or going across the fiber's of the muscles, tendons and fascia. Restoring movement in the soft tissues alleviates pain, muscle spasm and stress from the problematic area.
